In case of any conflict between these Terms and Conditions and the Client Agreement, these Terms and Conditions shall prevail.

Participation in the Promotion constitutes your automatic agreement to be bound by these Terms and Conditions.

1.1. The Promotion resets monthly, beginning on the first day of each calendar month at 00:01 AM EEST and concludes on the last day of the same month at 23:59 PM EEST (each a **"Promotion Period"**), unless terminated earlier by the Company. Only Applicable Lots and Net Deposits completed within this specific timeframe will be considered for that month's Reward calculation. Activities falling outside of this monthly window will not count toward any other Promotion Period.

1.2. The Company reserves the right to amend, suspend, or terminate the Promotion and these Terms and Conditions at any time, without notice, unless required by applicable law.

1.3. Updated Terms and Conditions become effective upon being published on the Company's website (the **"Website"**). Clients are encouraged to regularly check the Website and/or their Client Area for any updates.

2.1. Participation in the Promotion is automatic for:

- **New Clients:** Those who open their first Trading Account with the Company during the Promotion Period.
- **Existing Clients:** Those who already maintain at least one Trading Account with the Company.

2.2. To qualify for the Reward, subject to the rest Terms and Conditions herein, Clients must:

- By the end of the Promotion Period, have a fully verified Client profile in compliance with the Company's internal policies and procedures.
- Meet the Net Deposit and the number of Applicable Lots requirement outlined in Section 3.

2.3. The Promotion shall apply exclusively to trading activities conducted within the Trading Accounts, as defined in Section 3 of these Terms and Conditions.

2.4. The Promotion is not available to Clients residing in jurisdictions where the Company does not offer its services or promotions.

2.5. To be eligible for the Reward, Clients must not participate in any other promotion or bonus campaign, during the ongoing Promotion Period.

3. Reward Calculation

3.1. Net Deposit Requirement

The Reward eligibility is determined by the **Net Deposit** made during each Promotion Period, calculated as:

$$\text{Net Deposit} = \text{Total Deposits} - \text{Total Withdrawals}$$

Only fresh deposits made during the specific Promotion Period will count toward the Net Deposit. Internal transfers between any trading accounts, including the Trading Accounts, with pre-existing deposits or balances prior to the start of the Promotion Period will not be included in the Net Deposit calculation. When calculating Net Deposits, the Company will also consider deposits and withdrawals from the Client Wallet and other trading accounts maintained by the Company within the Promotion Period, not just from the Trading Accounts.

3.2. Tiered Reward Structure

The Reward is calculated based on **Net Deposits** and the total **number of traded Applicable Lots** during the Promotion Period, as per the table below:

Tier	Net Deposit (USD)	Trading Applicable Lots	Cashback Reward (USD)
1	250 - 499	5 - 9	5
2	500 - 999	10 - 19	10
3	1,000 - 3,999	20 - 49	40
4	4,000 - 7,499	50 - 69	100
5	7,500 - 8,999	70 - 89	140
6	9,000 - 14,999	90 - 149	180
7	15,000 - 21,999	150 - 219	300
8	22,000+	220 +	500

3.3. Reward Determination Logic:

- **Net Deposit Unlocks Tier:** The maximum Reward tier is determined by the Client's Net Deposit. To activate the Promotion, the minimum Net Deposit requirement is set to 250 USD.

- **Traded Applicable Lots Determine Actual Reward:** The Reward is based on the number of Applicable Lots traded, starting from the highest unlocked tier and moving downward if the lot requirement is not met. To activate the Promotion, the minimum traded applicable lot requirement is set to 5.

Example Scenarios:

- A Net Deposit of \$9,000 unlocks eligibility for a maximum Reward of \$180 (Tier 6)
 - If Clients trade 92 lots, they receive \$180 Reward.
 - If Clients trade 75 lots, they receive \$140 (Tier 5) Reward.
 - If Clients trade 55 lots, they receive \$100 (Tier 4) Reward.
 - If Clients trade 2 lots, they are not eligible for a Reward.

3.4. Eligible Trading Accounts and Applicable Lots

- The only eligible trading accounts for Applicable Lot calculation under the Promotion are Standard, Standard Plus, and Exclusive account types (the **"Trading Account"**). PAMM accounts are excluded.
- Only trades on Forex, Metals, and BTC instruments are eligible.
- The eligible Trading Account currencies are USD, EUR, GBP, and JPY.
- Applicable Lots are only the trades which opened and closed during the Promotion Period having a minimum 3 (three) minutes duration (the **"Applicable Lots"**)
- The maximum leverage allowed for the Trading Accounts under this Promotion remains the same as per the conditions of the Website carried for each Trading Account type.

3.5. Multiple Accounts

Net Deposits and traded Applicable Lots are calculated cumulatively across all eligible Trading Accounts associated with a single Client.

Example Scenarios:

Deposits and Withdrawals and Net Deposit Calculation:

- Trading Account A:
 - Deposits: \$3,000 (fresh deposit on 2nd December)
 - Withdrawals: \$500 (on 10th December)
 - Net Deposit: $\$3,000 - \$500 = \$2,500$
- Trading Account B:
 - Deposits: \$4,000 (on 5th December)
 - Withdrawals: \$1,000 (on 20th December)
 - Net Deposit: $\$4,000 - \$1,000 = \$3,000$
- Trading Account C:
 - Deposits: \$1,500 (on 8th December)
 - Withdrawals: \$0
 - Net Deposit: $\$1,500 - \$0 = \$1,500$

- **Total Net Deposit Across All Accounts:** $\$2,500 + \$3,000 + \$1,500 = \$7,000$
- Eligible Tier: Based on the Net Deposit of \$7,000, the Client unlocks eligibility for the Tier 4: \$100 Reward.

Trading Activity:

- Trading Account A:
 - Trades: 20 Applicable Lots – all qualify for the 3 minutes duration round trip
- Trading Account B:
 - Trades: 10 Applicable Lots - all qualify for the 3 minutes duration round trip
- Trading Account C:
 - Trades: 5 Applicable Lots - all qualify for the 3 minutes duration round trip
- **Total traded Applicable Lots:** $20 + 10 + 5 = 35$ lots

Reward Determination:

- Net Deposit Tier Unlocked: \$7,000 → Eligible for **\$100 Reward tier**.
- Traded Applicable Lots: 35 lots → do not meet the tier 4 requirement for \$100 Reward which requires a minimum 50 lots so downgrades to tier 3 for **\$40 Reward**

Final Outcome

- Net Deposit: \$7,000 → Unlocks the \$100 Reward tier.
- Traded Applicable Lots: 35 lots → Confirms the \$40 Reward.
- **Reward earned: \$40.**
